MATTAPOISETT BEACH HAS NEW SAND

New loads of beach sand, purchased in South Dartmouth, have been spread on the Mattapoisett Town Beach. The sand was placed at low tide to cover the area from which sand has been removed by the natural action of the water. Winter storms had left this area quite rocky as it moved the sand to the upper part of the

beach. This method of replacement will also allow the new sand to be washed by the sea water as it is distributed by the tide.

The Mattapoisett Board of Health has received a report from the East Freetown Labora-

The report reads as follows: "The Massachusetts Department of Public Health, as you know, has set a limit, of 2400 coliform group bacteria per 100 milliliters of sample, for natural swimming waters. It is gratifying to find that the results for both samples are so good. If anyone should find it strange that no coliforms, at all, were reported, please be informed that Salle in his latest textbook states that 'very few of the terrestrial freshwater bacteria that are being continually carried into the sea by rivers, sewage outfalls, the wind, migratory waterfowl, and other agencies survive very long in the sea except in badly polluted or diluted near-shore areas. A rapid diminution in both *S. typhosa* and *Escherichia coli* in sea water was observed by Beard and Meadowcroft....Natural sea water was found by Carpenter et al. to kill about 80% of the bacteria in sewage within half an hour.'"

GRANGE MEETING

Mattapoissett Grange held its bi-monthly meeting Thursday night in the Grange Hall.

Honored guests were Mrs. Samuel T. Brightman, a member of the Assembly of Demeter of the National Grange; Mrs. Alice Marshall, chairman of the Home and Community Service Committee of the State Grange; Mrs. Hilda Rogers, master of Old Colony South Pomona; and Dominiques Costello, master of Smith Mills Grange.

During the evening, a large delegation of New Bedford Grange members, on a mystery ride, arrived at Mattapoissett Grange.

A memorial service was held for Frank Denham, past master, by the chaplain, Mrs. Rebecca Downing, and Mrs. Edward Toolis, Ceres, who assisted in draping the charter.

It was voted to have another pot luck supper August 19th with members bringing a covered dish and place setting. Plans for the Fair will be nearly completed with a games party afterward, each member bringing a prize.

During the lecturer's program a 50-year jewel was presented to Ernest Dexter by Mrs. Brightman. He was escorted to the altar by Mrs. Marshall.

Mr. and Mrs. William Smith were presented 25-year pins and certificates by Mrs. Brightman.

Piano duets were presented by Mrs. Almanza Tripp and Walter Caswell. The lecturer's prize was won by Mrs. Cleo Pierce of New Bedford. Mrs. Marshall presented Mrs. Mildred LeBaron, matron of Mattapoissett Junior Grange, with a plaque with silver lettering for the second award in the State for the Home and Community work done for the arthritis foundation by the Juniors during her 4 years as State chairman.

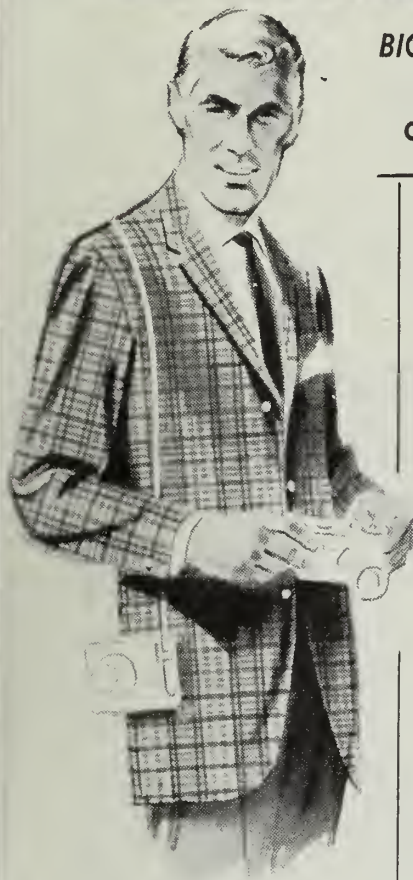

The program was concluded by a vocal solo.

LITTLE LEAGUE EXHIBITION BASEBALL

Highland Park Little League All Stars from Lowell, Mass. defeated the Cape Way Little League All Stars 12 to 3 in a come from behind victory. This exhibition game, an interesting game - win or lose, was played at Washburn Field in Marion with many people from Rochester, Mattapoisett, Lowell, as well as Marion spectators in attendance.

Cape Way All Stars, after jumping to a 3-run lead in the bottom of the first inning, never scored again as the Lowell pitchers became stingy and their batters became greedy and exploded for 1 run in the third inning, 2 runs to tie it up in the fourth, 1 in the fifth to take the lead, adding 2 runs in the sixth for insurance, and 6 runs in the seventh for a full coverage policy to insure against any uprising the Cape Ways were planning in their half of the seventh.

LETTER TO THE EDITOR

TOWN OF MATTAPOISETT:

Two years ago, I believe, a law was passed forbidding "roller-skating" by any of our youngsters on the sidewalks. Now I have just read where "skateboards" are forbidden. Next year will be another thing taken away from our children! As long as these laws have to be passed, in all fairness to the parents, please give us a good reason along with it so we can give an explanation to our children. Please don't put us on trial by our children, because when they come home with bitterness in their voices, you wonder why they become delinquents. I am willing to obey all laws, but first I must have a good explanation so I can pass it to my children, as they still have respect for the "law officer" and "law maker", but how long it will last I wouldn't dare predict because I have done my part in their bringing up as far as respecting the law.

Maybe roller-skating and skate-boarding are dangerous sports - but why are hundreds of scooters and motor bikes allowed in this "so called" quiet town? Why has North Street and other streets become death traps for our

Years Ago

50 Years Ago -- 1915

World War I was raging in Europe, but no one here dreamed we would get into it. Yet only two years later, all the young men in town would be in uniform, and the women in Red Cross uniforms busy rolling bandages and knitting warm

clothing. But in 1915, all was going along as usual.

Some facts and figures about the town:

Selectmen: Charles W. Ellis, Robert E. Achorn and Horace F. Field.

Assessors: Charles W. Ellis, Everett C. Stetson and Dennis Mahoney.
